

Millionaires

The people included in this file (age: 30 - 65 years) are not only top earners with an income of over CHF 200,000, but also millionaires with assets of CHF 1 to 9.9 million. They have an extraordinary household budget, are interested in luxury goods, own their own home and plan their retirement early. This makes them a particularly interesting clientele for banks, trustees, lawyers, management consultancies, property management companies, etc.

For reasons of discretion and personal protection, this address file is only supplied after verification of prospective buyers.
